underdog [uhn-der-dawg, -dog]

noun

- 1 a person who is expected to lose in a contest or conflict.
- 2 a victim of social or political injustice.

We all know someone who had obstacles in their lives. These have either made them stronger or made them weaker. Some people rise above and evolve from an "UNDERDOG" to a "SUPER HERO." I personally find it difficult to watch a young person have to struggle with obstacles that just don't seem fair. I know we all have some difficulties in our lives but it seems that some kids are thrown MORE obstacles than others.

In May, each of the Buche Foods stores, located in Gregory, Mission, Pine Ridge and Wagner, awards one \$1000 Scholarship per year to a high school senior from their community or the surrounding communities that has overcome some seemingly insurmountable obstacles in their life and are going to attend either College, University or a Technical/Trade School. To date, Buche Foods has given away over \$439,100 in scholarship money to area students.

It's very easy for people to register someone they know or themselves for the **Buche Foods UNDERDOG Scholarships**. The Scholarships are not your usual awards. It does not award the highest academic, most improved, best attendance, but it recognizes the accomplishments of the student who struggled to graduate. It recognizes the strength and perseverance they displayed by overcoming obstacles in their personal life.

The Buche Foods Underdog Scholarship program is here to help our youth with their dreams!

Sincerely,
RF Buche
